

## Programação

Informamos que a programação abaixo está em processo de elaboração, portanto, sujeita a alterações.

### 3 DE OUTUBRO

#### LATIN AMERICA ISME SYMPOSIUM 2011

**08h00 às 19h00**

##### ISME - LATIN AMERICA ISME SYMPOSIUM 2011 - Sala A1

International Society for Microbial Ecology

Área: Microbiologia Ambiental

**09h30 às 12h00**

##### OC ISME - LATIN AMERICA ISME SYMPOSIUM 2011 - Sala A1

Opening Ceremony LATIN AMERICAN ISME SYMPOSIUM 2011

Área: Microbiologia Ambiental

A) Welcome

*Palestrante: Adalberto Pessoa Junior (Universidade de São Paulo - FCF), Palestrante: Steve Lindow (ISME Presidente), Palestrante: Hillary Lappin-Scott (Coordinator, ISME Board)*

B) Microbial Interactions on Leaves

*Palestrante: Steve Lindow (ISME Presidente), Coordenador: Hillary Lappin-Scott (Coordinator, ISME Board)*

C) Biofilms

*Palestrante: Hillary Lappin-Scott (Coordinator, ISME Board), Coordenadora: Leda C. Mendonça-Hagler (UFRJ)*

**13h00 às 15h00**

##### MR42 - LATIN AMERICA ISME SYMPOSIUM 2011 - Sala A1

Tema: Revealing microbial communities in natural and agroecosystems

*Coordenadora: Mariangela Hungria da Cunha (Embrapa -PR), Coordenador: Hans Van Veen*

Área: Microbiologia Ambiental

A) Soil microbial diversity

*Palestrante A: Hans Van Veen*

B) From plants symbionts to insect endosymbionts: diversity and molecular interactions

*Palestrante B: Esperanza Martínez-Romero*

C) Tag-encoded pyrosequencing analysis of bacterial populations in agricultural soil under no-till

*Palestrante C: Leonardo Erijman*

D) A comprehensive survey of Brazilian cerrado soil bacterial communities

*Palestrante D: Ricardo Henrique Kruger (UNB)*

**15h00 às 16h00**

##### CF-34 - LATIN AMERICA ISME SYMPOSIUM 2011 - Sala A1

Tema: Soil Metagenomics to probe land use change: the US Great Prairie and the Amazonas

*Coordenadora: Vivian Pellizari (USP), Palestrante: James Tiedje (MSU)*

Área: Microbiologia Ambiental

**16h30 às 18h30**

##### MR43 - LATIN AMERICA ISME SYMPOSIUM 2011 - Sala A1

Tema: Microbial diversity associated with coastal ecosystems

*Coordenadora: Irma Nelly Gutierrez Rivera (USP -SP), Coordenador: Jan Dirk Van Elsas (RUG)*

Área: Microbiologia Ambiental

A) Microbiota associated with marine invertebrates

*Palestrante A: Jan Dirk Van Elsas (RUG)*

B) Coral reef microbial diversity in Brazil

*Palestrante B: Fabiano Thompson (UFRJ)*

C) Bacterial diversity of terrestrial ecosystems from maritime Antarctica

*Palestrante C: Alexandre Soares Rosado (Instituto de Microbiologia Prof. Paulo Góes)*

D) Anthropogenic impacts on aquatic microbial communities

*Palestrante D: Irma Nelly Gutierrez Rivera (USP -SP)*

**18h30 às 19h30**

##### P ISME - LATIN AMERICA ISME SYMPOSIUM 2011 -

Poster Sessions SIMPÓSIO LATINO AMERICANO DE ECOLOGIA MICROBIANA (ISME Latin America 2011)

### 4 DE OUTUBRO

**10h00 às 12h00**

##### MR44 - LATIN AMERICA ISME SYMPOSIUM 2011 - Sala A1

Tema: Session: Exploring microbes to mitigate environmental impacts

*Coordenador: Itamar Soares de Melo (Embrapa -SP), Coordenadora: Kornelia Smalla*

Área: Microbiologia Ambiental

A) Long-term effects of disturbances associated with forest harvesting on bacterial and fungal soil communities across two bioclimatic zones in British Columbia

*Palestrante A: Willian Mohn*

B) Mobile genetic elements and their role on the adaptation of microbial communities to xenobiotics

*Palestrante B: Kornelia Smalla*

C) Exploring bacterial genetic and functional diversity of urban mangroves by high throughput technologies

*Palestrante C: Newton Gomes*

D) Recent advances on industrial uses of fungal biofilms

*Palestrante D: Marcel Gutierrez-Correa (Universidad Nacional Agraria La Molina)*

**13h00 às 14h00**

**CF35 - LATIN AMERICA ISME SYMPOSIUM 2011 - Sala A1**

Tema: Human Microbiome in Health and Disease

*Coordenador: James Tiedje (MSU), Palestrante: Janet Jansson (LBL)*

Área: Microbiologia Ambiental

**14h00 às 16h00**

**MR45 - LATIN AMERICA ISME SYMPOSIUM 2011 - Sala A1**

Tema: Microbial Ecology in your Country

*Coordenador: Hillary Lappin-Scott (Coordinator, ISME Board), Coordenador: Willian Mohn*

Área: Microbiologia Ambiental

A) Microbial Ecology developments in Argentina

*Palestrante A: Leonardo Erijman*

B) Current status and future trends of Microbial Ecology in Brazil

*Palestrante B: Leda C. Mendonça-Hagler (UFRJ)*

C) Status of Microbial Ecology in Chile

*Palestrante C: Victor Gallardo (UDEC)*

D) Microbial Ecology in Colombia

*Palestrante D: Maria Mercedes Zambrano (•Scientific Director na Corporación Corpogen)*

E) Panorama of Microbial Ecology in Mexico

*Palestrante E: Esperanza Martínez-Romero*

F) Overview of Microbial Ecology in Peru

*Palestrante F: Marcel Gutierrez-Correa (Universidad Nacional Agraria La Molina)*

G) Current status of Microbial Ecology in Uruguay

*Palestrante G: Claudia Piccini*

H) Announcement of Prize winners (Posters) and Closing Remarks

*Palestrante H: Hillary Lappin-Scott (Coordinator, ISME Board)*
